

Junior League of Oklahoma City

JUNIOR LEAGUE OF **OKLAHOMA CITY** ANNUAL REPORT

WHO WE ARE

MISSION STATEMENT

The Junior League of Oklahoma City, Oklahoma, Incorporated, is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

VISION

The Junior League of Oklahoma City will EMPOWER volunteers to IMPACT our community and ENRICH lives.

FOCUS

Women Building a Better Oklahoma City.

DIVERSITY & INCLUSION

The Junior League welcomes all women who value our Mission. We are committed to inclusive environments of diverse individuals, organizations and communities.

OUR LEGACY

The Junior Service League of Oklahoma City was founded in March 1927, and affiliated with the Association of Junior Leagues of America in 1928 to become the Junior League of Oklahoma City (JLOC).

For the past 92 years, JLOC members have impacted, enriched and empowered countless lives. JLOC has partnered with many community organizations and started or worked with community projects that continue to serve Oklahoma City, including the Oklahoma Arts Council, Oklahoma City Zoo and many others.

Today, we serve as OKC's premier women's leadership organization. We have trained women who lead nonprofits, own businesses and serve in local and national leadership positions. These women credit their success to the experiences and training they received through JLOC. For more information, visit www.jloc.org.

JOIN US. PARTNER WITH US. INVEST IN US.

by trained volunteers

IMPACTING OUR COMMUNITY

Food & Fun

Working with PIVOT, our volunteers teach teenagers in transitional living situations a variety of helpful life skills such as table manners at a restaurant, healthy cooking and how to interview for a job.

Wellness for Life

At Concordia Life Care Community, our volunteers are regular visitors who play games, teach crafts and plant flowers and vegetables with residents.

Kids On Track

In an effort to combat childhood obesity and promote a healthy, active lifestyle, our JLCC volunteers play a variety of games focused on running and the year culminates in the kids running the fun run at either the Redbud or OKC Memorial Marathon.

Kids In The Kitchen

In partnership with the Boys and Girls Club, our volunteers prepare a recipe for a simple meal and help children ages 6-14 prepare the meal with hands-on lessons in measuring, equipment for cooking and kitchen safety.

Car Seat Safety Checks

Working alongside Infant Crisis Services, JLCC volunteers help staff and run six annual events where car seats are safely installed or checked for hundreds of families living across Oklahoma in addition to giving away car seats to a number of families at each event.

THRIVE

As part of an evolving partnership with Sunbeam Family Services, we lend our friendly faces to a new program where volunteers bring a hot, fresh meal and an evening mindfulness or fitness activity to seniors who are in emergency housing.

Healthy Practices

Working in tandem with the YWCA, our women engage with survivors of domestic violence and their children to provide classes on subjects as wide ranging as food safety, healthy fitness options and specific information about women's health.

Single Parent Support Groups

For clients of the Single Parent Support Network, our volunteers create health-focused activities for parents such as financial health, budgeting and healthy eating while also providing childcare so parents can focus, rest and focus on themselves.

The Children's Hospital Events

Junior League works with The Children's Hospital at OU Medicine to provide a prom gala for children living with medical conditions and additionally provides monthly support with meals and activities for parents spending time at the facility.

Community Impact Events

Junior League works with many partner agencies who need help for one event a year as opposed to regular programming throughout the year.

Currently we work with Citizens Caring for Children, Positive Tomorrows, Girls on the Run, The Girl Scouts of Western Oklahoma and The OKC Zoo, providing additional support at important events around the metro.

AND INTRODUCING...

PROJECT EMPOWHER OKLAHOMA CITY

The Junior League of Oklahoma City is proud to announce a new signature community project, Project EmpowHer, to empower women and girls in the Oklahoma City metro by providing access to feminine supplies and health education.

We're working to end period poverty in the Oklahoma City metro by:

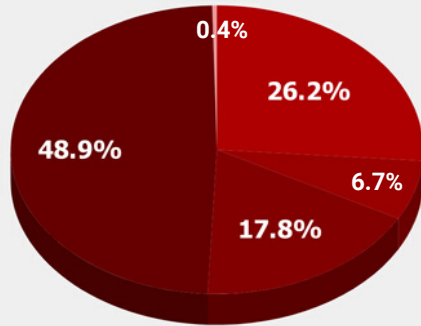

ACCESS - Offer period resources and support to women of all ages

CULTURE SHIFT - Advance the conversation on period poverty

ENGAGEMENT - Grow impact through education and community network

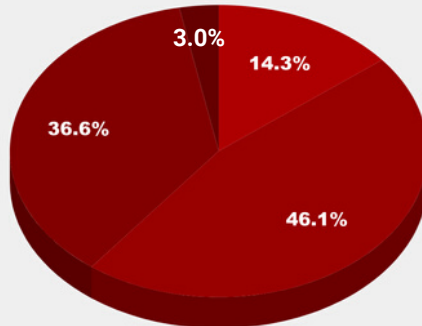

SUSTAINABILITY - Structure for growth, inventory, financial support and commitment
